

The American Indian Health Commission (AIHC) Maternal, Infant, Child, and Adolescent Health FOCUS GROUP

Date: Friday, June 6, 2025
Time: 11:00 am to 2:30 pm
Location: NATIVE Project Children & Youth Services Center
Register: 40 participants max. with incentive for completion.

Refreshments and lunch provided

AIHC is convening focus groups across the state in six regions for Tribal and Urban Indian community members to express concerns and share ideas about the health and well-being of American Indian/Alaska Native mothers, children, and families to inform MICAHA, a statewide health assessment conducted every five years. We are recruiting 40 individuals from the following Tribes:

- Spokane
- Colville
- Kalispell

American Indian and Alaska Native community members, including young adults, parents and families that have children, and grandparents are invited to come and share your ideas and/or concerns about:

- *Maternal and women's health*
- *Prenatal and infant health*
- *Child health*
- *Adolescent health*
- *Children with special health care needs*
- *Impacts of the opioid/fentanyl epidemic on women, infants, children and adolescents and families*

Pre-Registration and confirmation is required to attend. After registration, up to 40 participants will receive confirmation of the invitation, including details on the location. The focus group will meet on **Friday, June 6, 2025 from 11:00 am to 2:30 p.m.** All participants will receive \$100 gift card for their time.
